

SNOW AND INCLEMENT WEATHER CANCELLATIONS

Our school cancellations mirror those of Montgomery County Public Schools "MCPS". When MCPS are closed, closing early or have cancelled programming due to inclement weather, all Religious School classes and youth programs during that time frame are cancelled. Please refer to announcements of MCPS closings broadcast on radio and TV News stations and listed on the MCPS website. You can sign-up at the MCPS website to have a text or an e-mail sent to you regarding school delays, closing and cancellations.

An e-mail will be sent to religious school families and teachers confirming the cancellation and announcements will be placed on our telephone, 301-587-2273, and website, www.templeshalom.net, as circumstances allow.
